Airline Ticket Distribution:

Group tickets that were purchased through Living Sport will be sent via e-mail approximately 3 weeks prior to departure. With group travel you will be given a document with your ticket number and your record locator. When arriving to the airport you will provide this information at Aer Lingus check-in along with your passport to receive your boarding pass. You will have assigned group seats and cannot check-in online.

Group Check-In

Living Sport group check-in will be located inside Terminal B at the gate assigned to our flight to Hamburg (via Dublin). The gate number for our specific flight will be unknown until we arrive at the airport and check-in. There is a chance for those arriving early that they have not assigned a gate number yet. Gate numbers also change frequently, so if you are unsure, just monitor the screens located throughout the terminal. To locate the Living Sport group check-in (beginning at 1PM), you will see a large Living Sport flag in a designated area in the lounge area of our assigned gate. If you can't locate this check-in point please call your group leaders listed below. Participants should check-in with Living Sport as close to 1PM as possible. You then will be able to leave to get food, walk around, etc.

For participants driving or getting dropped off at EWR Airport:

Check-in time for international travel is 4 hours prior to take off. **You must be at EWR Airport by 1:20PM EST, ready to check-in with Aer Lingus and go through the security check.** Please take into the consideration the time zone changes if applicable, and account for traffic as you will be traveling close to New York City. You should be dropped off at Terminal B of EWR, which is host to Aer Lingus. You will check in via kiosk or directly with a Aer Lingus associate. Once you have cleared security, please proceed to the Living Sport group check-in located in the lounge of our flight's gate. Upon check-in with Living Sport, you will meet fellow participants while waiting to depart.

For participants arriving to EWR Airport via a connecting flight:

The standard window with connecting to international flights is 5 hours. We have had many delayed flights where participants barely made the group flight or missed it completely when they didn't follow this rule. Please abide by this 5-hour window to make sure plans go as smooth as possible. All participants flying into EWR must arrive by **12:20PM or earlier on July 7th**. The Living Sport check-in will be setup beginning at 1PM. Please be advised that in those early hours the gate may be assigned to other flights leaving prior to our flight. The Living Sport check-in will be setup at the assigned gate we are departing, even if other flights are using that gate at the 1PM hour.

With connecting flights, you will have to exit the secured area once arriving to EWR, pick up your baggage from your first flight then go through the check-in process with Aer Lingus and go through security again for the Hamburg (via Dublin) flight.
